

10 *luxurious* THINGS TO DO IN THE LAND OF OZ

LAP UP SOME **LUXURY** AND WORK YOUR WAY THROUGH THESE ACTIVITIES TO MAKE YOU FEEL THAT LITTLE BIT SPECIAL.

1. *Dines Under Starry Skies*

2. TALI WIRU EXPERIENCE

Ever wanted to dine under starry southern desert skies? Well you can in Australia's Red Centre. Sip champagne and nibble canapés against the backdrop of a magnificent outback sunset. In the shadow of Uluru and distant Kata Tjuta, dine in the open-air whilst listening to Dreamtime storytellers and the sounds of the didgeridoo. It either can be an intimate affair with either just you and your mate or take a party of up to six; the experience takes no more than 20 guests all up. Enjoy a four-course dinner matched with premium Australian wines then sit around the crackling fire-pit and stargaze in to an endless desert sky. Heaven!
